Name _____ Date of Birth _____

Address _____

Following a consultation with my practitioner, I wish to proceed with treatment(s) provided at <Look-younger.net> . I have carefully read and understood the consent forms and/or information sheet(s) relating to my treatment(s) and I have signed them. I have had the opportunity and sufficient time to ask questions about any content that I did not understand. All my questions have been answered to my full satisfaction.

In particular, I understand that adverse effects could arise from this treatment, which include, but are not limited to, those that I have specifically been informed about on the consent form and/or during the consultation. I also understand that there is a possibility of unknown or unforeseen adverse effects arising from this treatment about which, I will therefore not have specifically been informed.

By signing this form, I hereby consent to undertake this treatment at my own risk and I agree to indemnify both the practitioner and <Look Younger Clinic> in all circumstances against any claim for damages arising as a result of any adverse effect of this treatment, whether foreseen or unforeseen. In other words, regardless of whether I have been specifically informed about the possibility of such adverse effects or not.

I have been informed of possible alternatives to proceeding with this treatment, including my free choice of having no treatment at all. I have had sufficient time to make my decision and I have been put under no pressure whatsoever to proceed with treatment.

Terms and Conditions of Treatment

I understand that all treatment is provided on the terms that all fees paid are in respect of provision of a professional service and not in respect of obtaining any specific result. I understand that the practitioner will undertake to use his/her skill, knowledge and experience to the best of his/her ability, on my behalf, to endeavour to achieve a satisfactory result. However, I understand that variation in response to any treatment does occur from person to person and that no specific result can therefore be guaranteed. In particular, I understand that no treatment fees can be refunded in the case of a sub-optimal or unsuccessful result as all fees paid are entirely in respect of the service provided, i.e. professional time, expertise, product costs and other costs incurred by the clinic in providing my treatment and such costs are incurred independently of results achieved. I therefore agree to pay the fees in full.
